

## COMMERCIAL – INDUSTRIAL HVAC SERVICE TECHNICIAN

- Are you looking for an exciting and rewarding career in a stable work environment with excellent earning potential?
- Would you like an opportunity to advance your technical and critical thinking skills?
- Do you have strong communication and people skills to match your technical capabilities?

If this is you, **Mazza Mechanical Services** has the opportunity that you have been looking for.

In this dynamic role, you will be working on all types of air handling, hydronic and refrigerant equipment where you will get to demonstrate your abilities to troubleshoot, repair and maintain these critical components for our customers.

An EPA Certification to handle refrigerants is required along with a valid drivers' license. Previous OSHA 10-hour or 30-hour training is beneficial.

Mazza is an Equal Opportunity Employer offering a first-rate benefits package that includes health, dental, vision, life insurance, 401(k), paid vacations and holidays.

If you can see yourself as a member of the Mazza team, submit a cover letter and resume by e-mail to: [hr@mazza-hvac.com](mailto:hr@mazza-hvac.com) or mail to:
